EXTENSION OF THE THIRD COUNTRY PROGRAMME FOR MAURITANIA

Note by the Administrator

1. The third country programme for Mauritania was approved by the Governing Council at its thirty-third session (1986) for the programme period January 1987 to December 1991. The Government is currently reviewing the planning arrangements to succeed its programme for economic revival and consolidation (1989-1991). In these circumstances, the Government has requested that the current country programme be extended for one year and that the fourth programme be submitted to the Governing Council at its special session in February 1993. The themes of the third country programme, namely, increase of food self-sufficiency, the rehabilitation of the rural environment, and the strengthening of economic management remain valid for the period of the programme extension.

2. The Administrator wishes to inform the Governing Council that he has approved the extension of the third country programme for Mauritania for a period of one year, beginning 1 January 1992.
